

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

July 8, 2003

**GRAND JURY REPORT**

According to the 2002-2003 Los Angeles County Grand Jury Report, county agencies are severely limited in their ability to provide services to seniors, especially as the baby boomer population age 55 and older is expected to increase 75 percent in the next 10 years. The county is not positioned to address the burgeoning needs of its seniors, particularly in the areas of health care, housing, transportation and recreational and social programs. More than half of the seniors surveyed were not aware of the various services offered through the county's Department of Community and Senior Services.

**I, THEREFORE MOVE, THAT** the Board instruct the Director of Community and Senior Services to report back within 30 days with a written response to the Grand Jury recommendations, including a plan to incorporate the Grand Jury recommendations into the Los Angeles County Long-term Care Strategic Plan for the Aged and Disabled Adults.
